

## **Tee off to Build Community with Oak Ridge Presbyterian Church**

We are a 200 year old faith community in Oak Ridge/Jefferson Township; but we know that the church of yesterday cannot be the church of the present or future. We had to ask ourselves, "if we were not here, would that make any difference to our community?" Our humble answer "yes" is demonstrated in these ways:

- My School preschool, infant daycare & after school care
- Manna House (Newton, NJ) soup kitchen volunteer hours
- Boy Scouts & AA meeting space sponsorship
- Preservation of our historic church and cemetery for community aesthetics
- Participation in community food pantry & thrift shop mission projects
- Pastoral care upon request (weddings, funerals, home visits)
- Fellowship gatherings for those seeking a spiritual relationship.

No matter your faith, we seek your support to help us reach out further to our local community.
